Dr. Daniel Wagner

Dedication:

I would like to dedicate this book to my wife. Without her patience and love, I would never have become who I am today. She taught me the English language. I remember the times, when she patiently encouraged me, while I was completing my doctoral studies. She is not only a great master teacher, but she is an amazing caring mother of four children, a charming woman with exceptional skills and talents, and to top it all, a beautiful wife. Honey I love you.

-Daniel

Our Goal For Life:

“And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what [is] that good, and acceptable, and perfect, will of God.” Romans 12:2

About The Book

Time seems to pass extremely fast. Events worldwide are keeping us speechless. Many things are not adding up anymore. A spiritual confusion amongst Christianity is becoming increasingly complex. What is going on? Are we living in the end times? Is something about to happen? What should we believe? Is it time to overthrow any and all faith? How can anybody still believe anything in this confusion of religion? Why are religions fighting against each other? Leaders worldwide are promoting a new faith of a new world order and the New World religion. Is this really how we find GOD and peace?

Daniel personally and critically shows how he struggled with faith and religion until he finally found the truth. He shows using a simple practical way how you can enter a personal relationship with the living GOD. Daniel holds your hand and leads you step-by-step. Don't let another day go by not knowing the truth that will set you free.
