The spiritual confusion amongst Christianity becomes more and more complex. What is going on? Are we living in the endtimes? Is something about to happen? The present church is spiritually asleep. A strong spirit of deception is deceiving the church into a false Gospel and a false Christianity. Christian leaders world wide abandon biblical faith and they embrace the New World Order and the New World Religion.

The devil disguised as big helper has replaced biblical truth with deceptive truth. The majority of believers support and promote the fortold hellish nightmare of the one world government. Unless church leaders wake up and stand up for biblical truth, the majority of Christians will be damned to hell. Will Jesus be able to find biblical pure faith on earth, when he returns? You might be instrumental in starting the last and greatest revival.

# Chapter 1

## *Abstract*

---

Life is passing you by. Does this seem to be happening to you? Maybe you have taken a break or some vacation, and you have started to think for yourself. Maybe your issues of life or your health are starting to make you think. Suddenly, you engage your mind and you start realizing that a lot of things in your life or in the news just do not add up. Rather frustrated, you do not find the answers to your analysis. You realize that you are a sinner and the world around you is very sinful and wicked. What has suddenly happened to you and the surroundings?

It seems like, as if some ideologies you have been living by, they just do not work anymore. But it is not just the world. You have been reading the Bible. What you read and what is taught in most Churches you have attended, suddenly those things clash with your reason. Something just does not make sense any more. Could it be that the Holy Spirit is working on your heart to make you alert of the constant deception that you are faced with on a daily basis? What is really reality, and what is just imagination? Are there such things as absolutes? Is it true that all things have to change in order to achieve a better world, a better life?

You tell yourself, I am a Christian, I know GOD, I love Jesus and I pray once in a while. Suddenly, you have this doubt of salvation. Would GOD really forgive a person like you? You realize that your mind is far from having pure thoughts, all the time. You actually have to admit that there is a constant battle going on in your mind.
