BOOK SERIES
I WONDER WHY ...?
BY
DR. DANIEL WAGNER

Dedication:

As a father, my heart reaches out to people who are confronted with this important topic of marriage and relationships. I like to dedicate this book to my four children Matthias, Sara, Naomi and David. Their choice of finding the right mate will determine much of the rest of their life. May this book reveal biblical wisdom to help in this very important choice.

Our Goal For Life:

“And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what [is] that good, and acceptable, and perfect, will of God.” Romans 12:2

A programme of study (MDiv) in theology led him to France, Israel, and the United States. He completed the programme of study (EMBA) in finance and strategic management from Switzerland. He refined his skills in a programme of study (Ed.D.) in educational administration from the United States.

Dr. Wagner is blessed with four children and a charming wife. A desire to serve GOD helped him gain valuable expertise knowledge in many fields of service. His special gifts are spiritual discernment and desire to witness people to help them Jesus Christ personally. The international experience has made him aware of the strong spiritual deception the present church is exposed to. The writing of this book serves to awaken a sleeping church.

About The Book

Growing up in this present world is full of challenges. The most important decision in life, is the decision to accept or reject Jesus Christ. The second most important question in life is, how to find the proper life style. Never before has the world been attacked on the moral fiber of society like today. The devil is in the process to destroy society by a strong wave of immorality and advanced perversion. How should people find their proper identity and their GOD ordained purpose in this chaos? Does GOD care? Is there a clear answer?

In this end time perversion, anybody is exposed to incredible seductions and deceptions. Sexuality, nudity, and provocative pictures are all around us. Bestiality is often taught in kindergarten. Society has lost its consciousness for purity and beauty. Laws are rewritten to promote promiscuity. Is there any hope? Are we really free to behave like animals? Could it be, that GOD has a perfect plan for relationships, family and a new beginning? Don't wait, get your life and house in order. GOD tells us, that truth will set us free. Are you free?
