Introduction-

The Callback to Readers...

Today is 1st May and I started writing this book.

Now, I am feeling little bit relaxed as till yesterday, I was thinking about the goal of my life. I just discovered, I needed success and guess what I just found my path to success.

Today, I started writing this book and I will be telling you about the experiences of my life, it's mysteries and all.

You will be seeing my experience, in fact, a real life experience, that transposed me from tough to tougher and ultimately a TOUGHEST guy.

Chapter-1
THE FLIRTING

As the first chapter only includes flirting, so you will be getting many surprises. This word changed my life. This all started from Kerala trip. That was a trip full of experiences, fun and was my first trip without my parents.

The first day, I boarded my train and I was around one hour late to reach the school and then it was too fun.

Earlier or until the time, I was very reserved kind of creature but the communication gap was decreasing, but ultimately, it increased as more and more communication made me to know the people, as I shared my weaknesses, I shared my hard moments with them.

I just shared my real side with them. However, the thing is that, "People wear masks of a lie, so they look attractive, so be careful". I just understood this at the end of the trip. This was really, a good bunch of experiences.

First of all, a trip to Bhopal as we had to change the train at that station. Changing time was around 12 hours. So, we had a trip of Bhopal, a city of lakes and kingdoms.

We had to change in the station's waiting room only. There I flirted with Shubham's girlfriend. He was 6'2" and his girlfriend was around 5'6".

She was dark and a frank girl. I just started flirting and she told her boyfriend about me and you can then understand my situation.

One thing I noticed, she was not yet faithful to him, but that too don't matter as this is teenager's life. Everything is fine to do in this age. You will read a complete chapter in this book about teenage.

It is just very interesting life. Basically a teenage love is very dangerous love and it has a very short duration in our country due to various beliefs.

Then her boyfriend, Mr. Shubham took me to the station's washroom and gave a trailer. I was just scared as he was such a tardy fellow and I was just a short heighted, lean and thin boy with no friends at that time. I think that was the first and last time I flirted with his girlfriend.

Afterwards, we had a tour of the city, I flirted with almost every girl in the trip and that includes my present girlfriend too, *My KANCHI*. This is the name which is given to her by me. She is just too awesome girl who had changed my life. You must have heard about rags to riches, it was like that only. I was just a rag and how I became too rich in the case of friends, you will see that. This just needed a pure heart and the criminal mind.

I was having the combination of both as I was not familiar with outer world.

Then after the Bhopal tour, we had a dinner at a restaurant near station and then

again we boarded our train and then went off to Allepy.

It was just as awesome as heaven on Earth. We reached Allepy and then boat. Then my small room with three more guys, Sohith, Vikhil and Alek.

Basically, all these were F**king a**h**es, but then too they all just acted as a barrier for my flirting. But then too I thought success without problems is not a real success.

In this way only, they were necessary for what I am now. This all continued till the whole trip. Flirting was as good as exercising. It kept me busy whole day.

Ha... ha...! Just kidding, the stupid thing which I have done on this trip was that, I proposed a girl, and you know that girl yes, she is Kanchi. That was a very unusual proposal.

We were again in Bhopal. We had gone to the lake. I had around four boat rides

with girls. At that time, the whole expenses were incurred by me, just to impress the girls. I just hate that, the girls are so miser.

He...he...!! Ok. Then, with the four boat rides with different girls, Kanchi was the one who was in all four rides. I don't know what happened to me, but I was falling for that girl every second. I don't know why?

Then we had to board our train back, so we were going in bus to the station. My Kanchi was sitting one seat in front of my seat. We both were sitting in the window seat. See the conversation below:

Honey: Vidha (Kanchi's Real name), Tumse Kuch kehna hai dhyan se sunna.

Kanchi: Haan Honey bolo, kya bolna hai

Honey: (fully confused what to say). I want to say.....

Kanchi: Bolo na, Kya bol rhe ho

Honey: I Love You.. Shock mat ho, you have 15 days to answer. Aaram se soch kar batana.

After this short conversation, I just became so shocked that I was not able to talk to anyone. The date was 20 December, that's why I said 15 days, because 5th January will be after vacation. I had not talked to her after that. I had talked to her on the phone and we became good friends. I just told her that I was just playing pranks and she thought that was really a prank, but sometimes later it changed to real love.

After one year, it became a love story. I was dating her and she was always hurting me. One day she broke with me and told me, "I don't ever want to see you again". A few months later, "I don't ever want to see you again". A few months later, I don't know that happened to her, she came back to me and said exactly the same lines.

"Give me just one more chance, I loved you always. I promise I will never
