# Dedication

I dedicate this book to my loving brother Prateek who lives in our hearts and heaven. Dear Prateek,

In a very short span (10-05-1987 to 11-12-2010), you gave us so many touchy and unforgettable moments that we will cherish forever till the end.

Could anybody ever forget your smiling face, your helpful nature, your simplicity and your positive attitude? You were almost perfect. It is said, a good person is needed everywhere. God also needs extraordinary people, so he snatched our gem. I miss you a lot, Bhai! But I know, you have always been with me, with your John Di!

# About The Book

This book ‘My Father My Hero’ epitomizes the emotions of three siblings, me and my younger brothers Prateek and Abhishek. We love our parents Mr. Arvind Kumar Sharma and Mrs. Sushila Rani – very much, but like other kids we don’t express our love to them. My father has been a wall of support to three of us. I can’t imagine my life without him. Papa, you are the best father that anyone can have. You are truly my hero.

Your daughter

# Preface

A father-daughter relationship is very unique. A father plays pivotal role in the life of a daughter. A father is the first hero of a daughter's life. He takes care of her, completes her demands, plays with her, protects her and marries her one day. The duties of a father are unending. A daughter is always a princess to her father.

Fathers and daughters both love each other but more than often don't express their love and feelings in front of each other. I have written these poems about my father who is my hero. I am sure all the daughters can relate their feelings to these poems. My poems do not fit any particular style of poetry writing. This is my first attempt to write a book. These poems are my token of love on Father's Day to my dear papa.

Yours Only  
**Preeti Sharma**
