

The background of the cover is a romantic forest scene. In the lower-left foreground, a couple is silhouetted against the bright light, embracing. The rest of the scene is filled with tall, slender trees and sunlight filtering through the canopy, creating a warm, golden glow. The overall mood is serene and romantic.

Acknowledgement

Serendipity is my labour of love and I have a bunch of people to thank for this dream turned into reality. Firstly I'd like to thank and invoke the blessings of my Guruji, His Holiness Shree Shree Gurudevananda Swamiji and Shree Shree Matanandamayee of Shree Kshetra Odiyoor, Karnataka.

I would also like to thank my parents, Prakash Shetty and Geeta Shetty and my sister Suman Shetty for their relentless support. For being the wind beneath my wings, helping me soar and fly high in pursuit of my dreams.

This book wouldn't have seen the light of the day without the inspiration behind the words, thoughts and feelings conveyed in it. This one is for you, my muse, you know who you are, King and all the love stories I've seen, sensed and witnessed around me.

A word of gratitude and thanks, to Mr. B. S. Kurkal who encouraged me to write and publish my very first poem in "Patrapushpa", as a child.

A special mention to Hon'ble Mr. S. J. Kathawalla, (Sitting Bombay High Court Judge), my mentor, philosopher, guide, a perennial source of inspiration and a subject of one of my best poems which was published in the Government Law College Magazine "Melawnge" in 2012-2013.

Also a big shout out, to close family and friends who always motivated me to publish my book of poetry. I

love you all and you are my strength. This is a result of your prayers and good wishes.

Last but not the least I would like to express my heartfelt gratitude to all my teachers and professors throughout my school and college years, Mrs. Aruna Sundresh (Ex. HOD Political Science, St. Xaviers College, Mumbai,) and my English teachers Mrs. Shyamala Arvind, Ms. Jacinta Candes (Ex. Mary Immaculate Girls High School) and Ms. Verona Vaz (St. Xaviers College, Mumbai).

Hope you all enjoy reading this as much as I enjoyed putting it together for a wider audience.

May life never cease to delight and stun you with its sweet serendipity.

Meant To Be...

*You breezed into my life
Like a gust of strong winter wind
Bringing bountiful and endless joy
Fascinated by your zest
and effervescent charm
I slowly began to lose myself
in your mystic maze
A journey of self-discovery
we embarked together*

*Dazed and bewitched
you left me with your
charismatic and magnetic persona
Slowly but surely you made
your way into my heart
From strength to strength our
relationship blossomed*

*Not once did we snatch each
other's individualism
Together like two perfect
pieces of puzzle we fitted
Completing the picture of our lives
Enriching each other through the years,
I wish we walk hand in hand*

Kavita Shetty

*Investing love, emotions
and friendship of a lifetime
when that's all we have as ours to give
Remembrance of these beautiful
days will gleam in its afterglow
As a smile on my face
And like poetry in motion
Play in my dreams
How we were meant to be!!!*

Love, Life And Its Limitless Ways

*Enchantingly laid my eyes on you
In a casual yet candid chance encounter
Memories of which are still
as vividly encapsulated and
ingrained in my imagination
And forever engraved in my heart*

*As if it were a tale that
just unfolded yesterday
Then as fate would have it
Life provided an opportunity
As though it was really
an answer to my prayers
Baffled and mesmerized it
all left me Strengthening however
my belief in destiny and its divine plans*

*In inexplicable and
indescribable bonds
Our heartstrings were meant
to entangle and our minds
meticulously mingle
This beauty of an equation
is beyond words can define*
