# Introduction

Handwriting is writing created by a person with a writing equipment such as a pen or pencil.

Bad handwriting disturbs the academics resulting in disappointment and low Confidence. It will lead the teachers to misinterept the written output and resulting in less marks in academic exams. Legible written exam papers give a positive impression to teachers and understood easily resulting in good marks.

A Lot of children, adults face the problem of illegible Handwriting due to lack of guidance and knowledge to improve. This program is designed to provide the complete tips and tricks to Improve Your Handwriting. All the alphabets have checked graphologically to ensure no letter has negative formation. All the capital and small alphabets are the best positive way of writing, which imbibes many positive traits. So lets start.
